

# HMC Pastoral Leadership Qualification (PLQ) 2025-26

#### 1. Overview

This document provides an overview of the *HMC Pastoral Leadership Qualification* (PLQ). The PLQ is designed and delivered in partnership with the UCL/Institute of Education (IOE).

The PLQ is designed for pastoral middle leaders in HMC member schools e.g. Heads of Year, Heads of Section, Heads of House (Boarding and Day), Heads of Pupil Support teams etc. Whilst aspiring pastoral leaders may also take part, the training sessions and portfolio activities are primarily intended for those already in post, and HMCPD's 'Preparing to be a Pastoral Leader' is likely to provide more appropriate content. Colleagues who are not currently pastoral leaders should discuss in school whether the PLQ is an appropriate course for them. They are also welcome to contact HMC at pd@hmc.org.uk to discuss. Experienced colleagues beginning to think about promotion to deputy head positions may wish to consider HMCPD's 'Preparing for Senior Leadership' day course or our year-long Senior Leadership Programme for those seeking an SLT post.

#### 2. Aims

The HMC Pastoral Leadership Qualification aims to:

- Improve standards and build expertise in pastoral care within schools by providing training for pastoral leaders in the key practical skills that they need to perform their job
- Build the capacity for pastoral middle leaders to make effective decisions themselves where appropriate e.g. through the development of problem solving and analysis skills
- Encourage the on-going continuous professional development of Middle Leaders in pastoral roles
- Establish best practice and define sector-wide standards in relation to these skills, and
- Provide a qualification that is understood by schools and is portable between schools

'Such an engaging course. I really enjoyed the experience and the reflections' (PLQ Participant 2025)

'I have learned a lot and appreciate the support and guidance provided throughout the process' (PLQ Participant 2025)

<sup>&</sup>lt;sup>1</sup> An in-school mentor, who may be an experienced pastoral leader or the Deputy Head Pastoral, is an essential part of the delivery of this course. **Mentors must have the capacity to meet with their mentees at least twice per term and should review their portfolios and add a supporting statement before they are submitted at the end of the year.** 

**Five Level 1 and three Level 2 clusters** are planned for the 2025-26 academic year. We are planning eight clusters as follows: one face-to-face cluster bespoke for Infant and Junior middle leaders at levels 1 and 2; face-to-face clusters in London (2 clusters at level 1 and 1 cluster at level 2), a Midlands cluster at level 1 and an online cluster for both levels.

### 5. Portfolio Review

All portfolios which are submitted before the end of July 2026 deadline will be reviewed to ensure that certificates of completion are only awarded to those who have completed the programme to a satisfactory level. A sample of portfolios will be moderated by the UCL / IOE as part of this process.

## 6. Delegate Fees and How to Book Places

Delegates fees are £650 per level for schools in membership of HMC, and £675 for other delegates for face-to-face courses. For the online courses the fee is £499 for schools in membership of HMC and £525 for other delegates.

Fees include participant access to the training days / sessions for their cluster, an optional online training session for their mentor, online and distance-learning materials via Padlet, support for participants and mentors from HMC during the year, and review and moderation of the portfolio and certification.

Please visit the HMC website for information regarding cluster locations and to register online: HMC - The Heads' Conference

"I would strongly recommend the PLQ levels one and two to those teachers who are looking to advance their careers. The PLQ is well designed with tasks which are both relevant and challenging. It encouraged me, as a middle leader, to engage with whole school issues which I would not otherwise have explored at this stage. I am beginning a senior leadership role this coming September. I am sure that this would not have been possible without the PLQ over the last two years." (PLQ L2 Participant 2017-18)
